ABOUT US

Located in the heart of Toronto's Financial District, Design Exchange (DX) is more than just an event venue—it's an immersive, one-of-a-kind space where history, design, and technology converge.

Originally built in 1937 as the Toronto Stock Exchange, the DX seamlessly blends heritage architecture with cutting-edge innovations to create unforgettable event experiences.

From high-profile conferences and corporate meetings to fundraisers, galas, and spectacular weddings, DX offers a dynamic setting enhanced by state-of-the-art immersive technology, making every event truly extraordinary.

ANYTHING IS POSSIBLE...

Step into a realm of limitless creativity at the newly renovated Design Exchange—Toronto's premier destination for immersive, technology-driven events. Our turnkey solutions are designed to transform your vision into reality through cutting-edge innovation and seamless execution.

Featuring a fully customizable Projection Mapping System and our newly installed Kinetic Light System, the DX offers an event experience that moves, evolves, and inspires. Together, these technologies blur the lines between reality and imagination, creating atmospheres that captivate guests and elevate every moment into an unforgettable sensory journey.

DX

...WITH IMMERSIVE TECHNOLOGY

For those seeking a truly bespoke experience, our Immersive Content Team is ready to bring your boldest ideas to life. Collaborate with our experts to design a custom environment that captures the essence of your event—integrating immersive projection mapping now available in both the Trading Floor and the Gallery, along with our new LED wall and Kinetic Light System. Together, these technologies create movement, energy, and emotion that engage the senses and transform any occasion—whether a wedding, corporate gala, or private celebration—into an unforgettable experience.

CORPORATE EVENTS

A great event begins with a world-class venue. Whether it's trade shows, AGMs, board meetings, team-building activities, brand pop-ups, or product launches, DX offers the capacity to cater to all your corporate event requirements. Additionally, using fully customizable projection mapping technology, the Design Exchange ensures a cutting-edge experience for your downtown gathering. With in-house AV/Tech, catering, and a range of vendor partners ready to assist in realizing your vision, the DX provides the perfect backdrop for your event.

WEDDINGS

Our venue boasts a diverse array of rooms tailored to suit celebrations of every scale, blending historic charm with contemporary amenities. With immersive technology adding an extra dimension to your experience, from intimate gatherings to lavish affairs, we offer couples a unique fusion of history, modernity, & convenience. From the initial shower & rehearsal to the momentous ceremony & reception, allow us to turn your wedding dreams into reality.

FOOD & BEVERAGE

The DX is proud to offer world-class menus for any occasion, curated by our catering partner, the award-winning Eatertainment.

From passed canapés to food stations to plated dinners, from simple to simply unbelievable, The Eatertainment team designs seasonally inspired menus to suit any taste and budget.

But don't take our word for it, schedule a tasting to sample first-hand what thousands of guests are already raving about!

FAQS

1. Is there on-site support for event planning and production?

   Yes, our dedicated events team works closely with you and your vendors to ensure seamless planning and flawless execution—from logistics to technical setup.

2. Can we customize the space with lighting and AV?

   Absolutely. Our in-house projection mapping and lighting systems allow you to fully transform the space with branded content, custom visuals, and dynamic lighting effects.

3. Can I preview how the projection mapping would look for my event?

   Yes! We offer site visits and digital previews of projection mapping possibilities, helping you visualize how your content can transform the space.

4. Is Design Exchange accessible by public transit?

   Yes, DX is located in the heart of Toronto's Financial District, just steps from Union Station and easily accessible via TTC and PATH.

5. What's included in a venue rental?

   Included in the venue rental is access to the space 66" and 72" round tables, in house chairs pending the room booked, directional signage, house lights. All event rentals, furniture, catering equipment, etc. will be arranged and ordered for your event by your Event Manager.
